We reserve the right and discretion to modify the Terms of Use at any time. Notification of changes will be distributed by email and available on [our website](#).

3.1.2 Who We Are and What We Believe

- Pinnacle Academy is an online K thru 12 school dedicated to transforming scholars into scholars.
- Pinnacle Academy is an independent learning school that believes every scholar is unique. Our goal is to teach scholars to learn independently after developing study practices and learning tools explicitly catered to their learning styles.
- We believe scholars should be allowed to move through subjects freely, without being held back by a slower pace of other scholars.
- Scholars who need instruction are in cohorts that meet once or twice a week online in small groups with a certified teacher.
- Advanced scholars are encouraged to jump straight into an independent learning program.
- Although Scholars have a maximum of 12 months to complete an academic year, they are encouraged to complete courses within a traditional year. Scholars work in their own time without peer pressure, eliminating competition from the learning structure.
- K-12 curriculum is online; however, **we provide in-person learning at our satellite location.**
- Our online teachers meet with scholars regularly Monday-Thursday between 5AM PST and 8PM PST.
- Meetings with Academic Advisors, make-up courses, group meetings, school assemblies, and field trips are typically on Fridays. Although some teachers are not available after Thursday at 5 PM PST, scholars can still access the curriculum 24 hours a day and seven days a week.

Pinnacle Academy (School LLC) subscribes to the policies outlined in this document. Additionally, Pinnacle Academy is “our academic program,” “the academic program,” and “the Pinnacle Approach.” We view these words as the same.

Pinnacle Academy teachers, Academic Advisors provide training for those using our online curriculum.

3.1.5 Academic Dishonesty

Succeeding in dishonest academic behavior is morally unethical and results in lower scholar scores, and consequently lower college admission. Pinnacle Academy does not tolerate academic dishonesty. Scholars found engaging in these activities will be expelled.

3.1.6 Plagiarism

Plagiarism will not be allowed. If a scholar is found to have plagiarized any document or assignment will be expelled.

3.1.8 Digital Devices

Technology tools include recording devices, calculators, tablets, and cell phones. These tools can transform the way scholars learn. However, improper use during school hours can be distracting.

Scholars should bring all necessary tools to their class area before class begins. Scholars will not be excused during class time to retrieve tools.

3.1.9 Course Exchange

All scholars that withdraw from a course within 14 days of the start can exchange that course for another course more suited to the scholars need without a financial impact. The withdraw course will be removed from scholar academic records without adverse effects. Scholar wellness is a part of academic success, so we encourage physical movement and water consumption. Additionally, we have an annual public health webinar to discuss mental and physical health, nutrition, and exercise. We also support positive body image and healthy emotional support groups. We believe school should be safe for all.

3.1.18 Mandatory Parent & Scholar Orientation

Orientation attendance is a part of our success plan. During the orientation, scholars will learn how to navigate their dashboards. Pinnacle Academy endeavors to maintain parent-scholar-teacher transparency. We want scholars and parents to stay engaged throughout the school year and the educational process. Parents receive regular updates regarding the scholar's progress

3.1.19 Discipline

Our goal is to help scholars learn to achieve the peak of their academic success. Obtaining this goal takes careful time and consideration. Therefore, Pinnacle Academy faculty has provided scholars with school and classroom etiquette polices to act as a guide for scholar behavior. Teacher/ scholar interaction is often the most important part of a scholar's learning process. Taking this into account, we intend to provide a safe environment that is conducive to scholar learning.

Scholars found not following school policies and or classroom etiquette in any way will be first given a warning by the teacher or Academic Advisor that witnesses the incident. The warning will be noted within the scholar behavior log. All offenses will be reported to the parent(s)/guardians by email on the day they occur.

Repeated instances of misbehavior, class disruptions or other distracting acts could result in scholar schedule change or removal from a program.

3.1.20. Dismissal (Expulsion)

Persons dismissed from Pinnacle Academy will lose all access to our online portals. An official transcript will be sent to the address of scholar's choice. We do not refund past tuition. If a scholar is dismissed at any time during the month, the payment for that is due, any past due payments are immediately due. The remainder of an annual tuition will be dismissed, as long as the account is current.

Yellow means scholars should take caution to complete missing coursework. Red is an alert to scholars falling severely behind and needs to increase school hours or add tutoring.

3.2.10 Report Cards

Edmentum provides a weekly reporting system, therefore our scholars don't receive mid-year report cards since the information is given on a weekly basis.

All scholars receive a mid-year progress report. This report details any issues with behavior, missing assignments, and scholars' overall performance. The details are documented by each teacher and the scholar Academic Advisor. Scholar records/test scores remain available for viewing all year long.

3.3 ATTENDANCE - (ILM) INDEPENDENT LEARNING MODULE

Independent Learning (ILM) Scholar Attendance

ILM- Independent Learning Module - These scholars meet with Academic Advisors to create a work schedule. ILM scholars do not meet with teachers regularly, but an Academic Advisor monitors scholar activity. Weekly progress notifications are ongoing to illustrate scholar success. When improvement is needed, an Academic Advisor will contact the parent and scholar to give suggestions. Scholars in danger of failing will be assigned to tutoring or moved to the Active Learning Module.

While daily class attendance is not a prerequisite for completion. It is a recommendation that scholars spend 5-6 hours per day in class and a minimum of 1-2 hours for homework for upper grades and AP courses. Irregular attendance and work habits typically result in lower scores. Completion of the course(s) is required to receive a final grade/score at the end of the school term. All scholars can access assignments 24 hours a day, 7-days a week.

Program Acknowledgement

Scholars that do not meet with teachers daily.

- ILM scholars meet with Academic Advisors weekly, and with teachers and tutors on occasion. When a scholar is going to miss a scheduled meeting, a parent/guardian should send an email 24 hours in advance of the expected absence to the assigned Academic Advisor.
- Some situations are emergent or unknown in advance. In this case, the parent should report the absence as soon as possible.
- Scholar attendance is recorded and reported to an Academic Advisor.
- Parents will receive instructions for informing Academic Advisors of absences/class cancelations.
- When a scholar misses more than two (2) scheduled appointments/classes without proper notification, there will be a meeting with an Academic Advisor to revise the schedule.
- Additionally, when a scholar misses class in any pattern that we deem consistent, there will be a meeting with an Academic Advisor to revise the schedule.
- We value our teacher's time, as well as our scholars. **Therefore, if 2 or more "emergency" or unexcused absences occur within a month, then a fee of \$50 per missed class will be charged to the parent/scholar account.**

After 4 missed appointments/classes within a month, (with or without a 24-hour notice), the scholar will be removed from the current class schedule. A new academic schedule will be negotiated with the Academic Advisor.

3.3.1 Make-Up Classes - Private 1 to 1 and Independent Learners

Parents that report an absence 24 hours or more in advance can request to schedule a make-up session with the regular teacher at no additional cost.

If a class was not canceled 2 hours in advance, then a make-up class can only be scheduled through EPM (Education Plus Module, and there will be charged \$50.00 at the time of processing.

If a scholar misses more than 2 times without proper notification or misses class in any pattern that Pinnacle deems consistent, the scholar and parent(s)/guardian will be scheduled to meet with an Academic Advisor to work on schedule revision.

3.3.2 Missing a make-up class

Scholars that miss make-up sessions without cancelling 24-hour notice will be charged \$50 for each of the class(es) missed.

3.3.3. Leave of Absence

When a scholar has extenuating medical or personal issues, a parent can schedule a leave of absence. A Leave of Absence is necessary for scholars who plan to be inactive for more than 14 days. Each situation is different, and therefore we recommend speaking with an Academic Advisor before deciding to take a leave of absence.

A leave of absence can be granted for up to 90 days, one time per school term. During the leave of absence, the scholar portal and dashboard will be disabled, and coursework will be on hold. A leave of absence is not additional time to complete work. When a scholar returns from a leave of absence, the time remaining to complete the academic year will depend on their enrollment calendar. All full-time and part-time scholars have 12 months to finish the school year.

3.3.4 Withdrawal

Scholars may withdraw from any course without a negative impact on academic records. There is no refund for withdrawing. The form required for withdrawal is located under the Scholar Support tab on the school website.

Some scholars may desire to make up missed classes. This option is available on our website. A \$50 fee may be required depending on class availability.

3.3.2 Missing a make-up class

Scholars that miss make-up sessions without cancelling 24-hour notice will be charged \$50 for each of the class(es) missed. No refunds will be granted for missed make-up class time.

3.3.3 Leave of Absence

When a scholar has extenuating medical or personal issues, a parent can schedule a leave of absence. A Leave of Absence is necessary for scholars who plan to be inactive for more than 14 days. Each situation is different, and therefore we recommend speaking with an Academic Advisor before deciding to take a leave of absence.

A leave of absence can be granted for up to 90 days, one time per school term. During the leave of absence, the scholar portal and dashboard will be disabled, and coursework will be on hold. A leave of absence is not additional time to complete work. When a scholar returns from a leave of absence, the time remaining to complete the academic year will depend on their enrollment calendar. All full-time and part-time scholars have 12 months to finish the school year.

3.3.4 Withdrawal

Scholars may withdraw from any course without a negative impact on academic records. There is no refund for withdrawing. The form required for withdrawal is located under the Scholar Support tab on the school website.

ATTENDANCE PART – (SLM) SATELLITE LEARNING MODULE

Satellite - Scholar Attendance

SLM - Satellite Learning Module – Our in-person learning school is designed for scholars who are social learners or benefit from being in a classroom setting. Satellite scholars meet with teachers regularly from their satellite locations. Pinnacle Academy curriculum is all online.

Program Acknowledgement

Scholars that meet in-person with teachers daily and/or in small groups

Although Pinnacle Academy SLM scholars attend in-person class regularly, many of the class meetings may still be online. When a scholar is going to miss a scheduled meeting, a parent/guardian should send an email 24 hours in advance of the expected absence to the assigned Academic Advisor.

Some situations are emergent or unknown in advance. In this case, the parent should report the absence as soon as possible.

Scholar attendance is recorded and reported to an Academic Advisor.

Parents will receive instructions for informing Academic Advisors of absences/class cancelations.

SLM Scholars who miss a class will receive study aids for the missed lesson by email within 48 hours of missing the class unless SLM is an independent learning scholar.

When a scholar misses more than two (2) classes without proper notification, there will be a meeting with an Academic Advisor to revise the schedule.

Additionally, when a scholar misses class in any pattern that we deem consistent, there will be a meeting with an Academic Advisor to revise the schedule.

We value our teacher's time, as well as our scholars. **Therefore, if 2 or more "emergency" or unexcused absences occur within a month, then a fee of \$50 per missed class will be charged to the parent/scholar account.**

After 4 missed classes within a month, (with or without a 24-hour notice), the scholar will be removed from the current class schedule. A new academic schedule will be negotiated with the Academic Advisor.

3.3.1. Make-up classes

Scholars that miss class can schedule make-up sessions with their Academic Advisor.

3.3.2 Make-up classes

Scholars that miss a scheduled make-up class without cancelling 24-hour notice will be charged \$50 for each of the class(es) missed.

3.4 SCHOLAR POLICIES & CLASSROOM ETIQUETTE

As a scholar at Pinnacle Academy, you are unique, and you will be encouraged to work at your own pace. Your Academic Advisor will establish a schedule that works with your learning needs.

Our main objective is learning; therefore, we aspire to lift and encourage each other to be the best that we can be.

Your school curriculum is all online, but you can always print things if it makes it easier to see. Paper, notebooks, and pens should still be used for taking notes and even writing answers and for the scratch paper needed to do math problems.

Scholars are not allowed to use profanity or vulgar expressions in any manner while they are interacting on the Pinnacle Academy platform. Also, scholar profiles/dashboards need to be clear of vulgar language and or explicit content. Gang signs, slurs and symbols are prohibited.

Name calling and or character judgmental comments will not be tolerated be it written, spoken or implied.

Cyber bullying will not be tolerated. Cyber bullying is defined as hurtful communication in speech, phrases, gestures, photos. Or composition. Anything that demeans another's character, physical appearance or personage is considered cyber bullying. This includes texts, email and or any social medial platforms separate from Pinnacle Academy but referring to it or its members. This includes all Pinnacle Academy's scholars, faculty, and staff.

Photos and images used for profile and assignments must be appropriate for educational or professional purposes. Absolutely no nudity, profanity, or other deviance in the form of comment, illusions, or innuendos.

Scholars in all categories meet with teachers from time to time. To use the time wisely, a few tips are listed below.

- Each scholar should have an email address explicitly used for school.
- The email should be professional and not at all associated with gaming systems
- Parents, scholars, and Academic Advisors receive links for the day of the class.
- Scholar's meeting with an Academic Advisor or teacher should look for an email that says Zoom class link or Google Meets Link 45 minutes to 1 hour before class.
- Scholars should be prepared for class and be on time. Log in to the classroom 5 minutes before the start. If you have trouble, the extra 5 minutes will give instructors time to help scholars experiencing technical difficulties.
- Scholars should not argue with teachers, tutors, and Academic Advisors.
- Scholars are marked absent if they are not in attendance after the first 10 minutes unless the scholar has specifically communicated technical difficulties and is working to fix the issues during that time.
- Scholars who miss 10 minutes or more may want to ask the instructor for a private session to help them with the missing information.

- While online, scholars must adhere to the scholar all school policies
- Scholars must wear clothing to class. Pajamas and other sleepwear are not allowed while in front of the camera.
- If a scholar cannot be in a room without background noises, we ask that the scholars wear headphones. Also, teachers may ask scholars to turn the sound off and use the "Chat" feature to communicate.
- Teachers may ask that scholars remain in front of the camera to ensure each scholar is engaged and not distracted by outside stimulation.
- Scholars are NOT to interact with anyone outside of the online portal during the 50-minute class period unless otherwise asked by the instructor. Scholars found arguing, complaining, or playing is not allowed.
- Finally, come to class prepared, with homework complete. Be sure to ask questions about assignments while in class whenever possible. Contact your teacher by email for additional support.
- To the parent/guardian or monitor: Interrupting the scholar at any point during class causes confusion to the scholar, the teacher, and other scholars who may be online. Additionally, removing the scholar's attention away from the screen or any interference with class time conflicts with our scholar policies

Adherence to Pinnacle Academy's Scholar and Classroom Etiquette Policies and rules for conduct will attribute to every scholar's ability to achieve their goals.

Scholars found not following guidelines and rules will be reprimanded by losing group privileges first and given a warning. If negative behaviors and offense persist, the scholar will be removed from the program.

3.4.1. Class Meetings

One-hour classes:

Each one-hour class lasts approximately 50 minutes, leaving time for a break between classes.

Two-hour classes:

Each two-hour class dismisses for 10 minutes at the end of each hour to allow scholars to have a break. Therefore, each hour of class is equivalent to 50-minutes.

3.4.2. Group Classes

Scholars that log in after the first 10 minutes **may or may not** be permitted to enter the class. If starting and stopping is too disruptive to other scholars, then late starters will not be allowed to enter. The instructor will have full discretion.

We suggest all scholars entering late, wait at least 5 minutes to be admitted. If the Instructor finds a place to break in the learning, the instructor will always do their best to allow the scholar to enter.

Parents and scholars will receive an email regarding scholar attendance and work done or needing to be completed at the end of each session.

If attendance becomes a problem due to tardiness, the issue will be brought up by the scholar's Academic Advisor.

3.4.3. Private Classes

Many scholars opt to meet privately with instructors.

If the scholar does not show up after the first 10 minutes and does not contact the instructor about tardiness, the instructor will log off and the scholar will be deemed absent.

Make-up classes can be scheduled. Scholar's parent must contact the instructor for make-up times. A fee may be charged. Please refer to school policies regarding attendance and make-up classes.

3.4.4. Need a Tutor?

For additional assistance, scholars can sign up for tutoring.

Tutoring is available through Education Plus. To gain access, speak with the assigned Academic Advisor.

3.4.5. Website Use Policy

We insist that scholars are respectful of themselves and all others while using any part of Pinnacle Academy website and or any school portal, or other platforms used by Pinnacle Academy. On occasion, we may offer virtual field trips in other online environments, along with social activities and clubs. In each of these instances we expect Pinnacle Academy scholars to behave as if they intend to learn. That means listening and speaking in appropriate tones during appropriate times.

Each scholar is provided a list that should act as a guideline for how scholars should behave. Signing this form by both parent and scholar is required for admission. Terms of Use & Privacy Policy.

3.4.6 Site Terms of Use Policy

Scholars are assigned an individual dashboard that is independent of other scholars. Use of the site for other than its educational format is prohibited. Copying forms and information from the site are also prohibited. Copying forms and information from the site are also prohibited. Persons found hacking, copying, changing, modifying for deleting items from the site or other site connected to Pinnacle Academy will be dismissed from our program. Transferring, sharing, removing or unauthorized use of Pinnacle Academy site and all other clouds and/or spaced and literature used or operated by Pinnacle Academy is considered theft. Persons found to be in violation of any of these terms will be fully executed by the law.

A copy of our site policies is available on the website. [Terms of Use & Privacy Policy](#)

3.4.7 Computer Use & Netiquette

During class time, use of game sites is not allowed. Our rules of conduct are also relevant and included as school rules for all online scholars as well as those in pods, and satellite locations.

3.4.8 Website Access

Access to scholar dashboards are available 24 hours a day, except days/times we are performing maintenance. Scholars are not allowed to give or share access to their Pinnacle Academy dashboard.

3.4.9 Passwords

An initial password is created by our system. That password is given in the scholar orientation and must be changed upon scholar first login. Please do not share this password with others.

3.4.10 Technology Support Services

Technical support is available for scholars and can be accessed within our PASS tab under Scholar Support Services.

3.5. SCHOLAR SUPPORT / RESOURCES

3.5.1 Parent Access & Support

Parents can contact scholar Academic Advisor for any reporting as needed.

3.5.2 Guidance & Counseling

Academic Advisors are available to guide scholars and provide support, helping each scholar achieve set goals. If emotional counselling is needed, scholars will be referred appropriately to a medical professional or report to agency as directed by each individual state law.

3.5.3 Restorative Discipline

Restorative discipline is a way of dealing with bad behavior. Instead of harsh punishments that focuses on the bad behavior, restorative discipline focuses on repairing the harm done by the bad behavior. For most offenses, this practice can be used and is our preferred method of discipline. However, continued use of profanity, name-calling and other forms of abusive behavior will not be tolerated.

We reserve the right to remove scholars from our program. Although a scholar's expulsion would be a last result, sexual harassment, and perverted behavior and or sexual gestures in our online environment is grounds for dismissal.

3.5.4 Scholar Life

Extra-curricular activities are important to scholar life and wellness. We encourage scholars to participate in sports, chess clubs, music and arts, travel, and other extracurricular social activities to help broaden their scopes. We believe extracurricular activities create a more balanced life among all our participants.

3.5.5 College & Career Advising

Annually, our scholars are asked to participate in college prep exercises and webinars. We invite exciting speakers from all over with various occupations to encourage scholars to seek out their own career paths through higher education.

3.5.6 Technology Support Services

Technical support is available for scholars and can be accessed within our PASS tab under Scholar Support Services.

3.5.7 Extracurricular Activities

We encourage scholars to participate in extracurricular activities for stable development. Many of those activities should be sought for outside of and in addition to Pinnacle Academy.

3.5.8 Community Service

Pinnacle believes in giving back to the communities we serve through education. Additionally, our full-time scholars get the opportunity to share those same principals by participating in community outreach programs that are local to them or one that is partnered with Pinnacle Academy.

3.5.9 Club Athletics

We are a developing school and look forward to our scholars creating school clubs that will be diversified.

3.5.10 Scholar Government

As an online school, we anticipate hosting scholars from around the world. Scholars will meet during assemblies and other group projects and within our satellite locations. Annually we will host a contest for the senior cohort to select a scholar body who will oversee our yearbook and graduating senior activities, including our senior trip where all scholars will get together in one location for a weekend of festive activities.

3.5.11 Clubs

Clubs are created by our scholars and supervised by an adult staff member to ensure that club functions remain within our policies.

3.5.12 Field Trips

Throughout the school year, we attend Virtual field trips to some amazing places including Planetariums, Aquariums, National Parks, the Smithsonian and other Museums, Art Galleries and more.

3.5.13 Assemblies

Group Assemblies are usually scheduled for Fridays.

3.5.14 Scholar Photo Release Disclosure

Scholars are required to submit a photo online for their online ID. Approval to use photos of scholars in our printed material will be requested prior to printed matter being designed or released.

3.5.15 Non-Discrimination Policy

We are an educational institution and we do not discriminate against race, ethnic make-up, age, religion, sex, or sexual orientation.
